

How It Works

Rarely have we seen a person fail who has thoroughly followed our path. Those who do not recover are people who cannot or will not completely give themselves to this simple program.

They cannot develop a manner of living which demands rigorous honesty. There are those, too, who suffer from serious emotional and mental disorders, but many of them do recover if they have the capacity to be honest.

Our stories disclose in a general way what we used to be like, what happened, and what we are like now. If you have decided you want what we have and are willing to go to any length to get it, then you are ready to take certain steps.

At some of these we balked. We thought we could find an easier, softer way. But, we could not.

With all the earnestness at our command, we beg of you to be fearless and thorough from the very start. Some of us have tried to hold on to our old ideas and the result was nil until we let go absolutely.

Remember that we are dealing with sexual addiction – cunning, baffling, powerful! Without help it is too much for us. But there is One who has all power – that One is God. May you find God now!

Half measures availed us nothing. We stood at the turning point. We asked God's protection and care with complete abandon.
